24-Carat Gold Facial

Eldorado Hotel and Spa--Santa Fe, N.M.

\$475

Many aestheticians believe gold contains an anti-aging element, and at the Eldorado Spa, they're so confident that gold-flecked serum lifts, tightens, lightens and brightens skin while reducing the appearance of fine lines and wrinkles, they'll devote 80 minutes to massaging it into your face and back. Other benefits are said to include the slowdown of collagen depletion, which causes sagginess; a decrease in inflammation; and a lightening of age spots.
